

6 INCH SCREW SUBMERSIBLE

Features

- Certified lifting eye
- High pressure motor
- Clog free operation
- Dry running
- Biodegradable Oil
- Screw impeller

Pump Specification

Maximum water head	27.5M
Maximum water flow	97 lt/sec
Solids handling	90mm
Hydraulic oil flow	60 lt/min
Hydraulic working pressure	175 bar
Max hydraulic pressure	240 bar

Dimensions

L650mm W515mm H840mm
Aluminium 135kg Steel 150kg
